VCA's Grant Payments Cycle

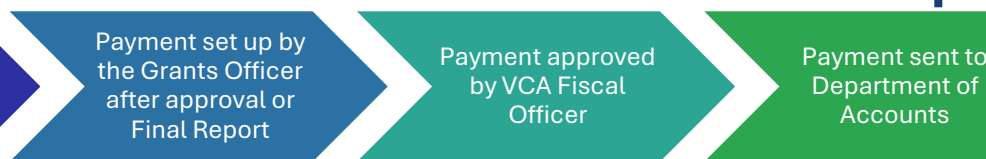

VCA Grant Application Cycle

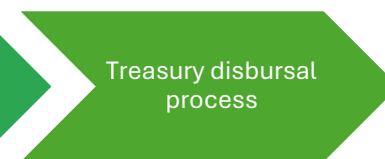

- Use Foundant, VCA's grant portal system, to apply and provide organizational information
- Contact VCA with any updates
- Grant review type and payment schedules vary for each program

Internal Payment Processing

- VCA Grants and Fiscal team work together to verify applicant information for successful payment
- If there is missing information, Department of Accounts will send payment back to VCA

Final Steps

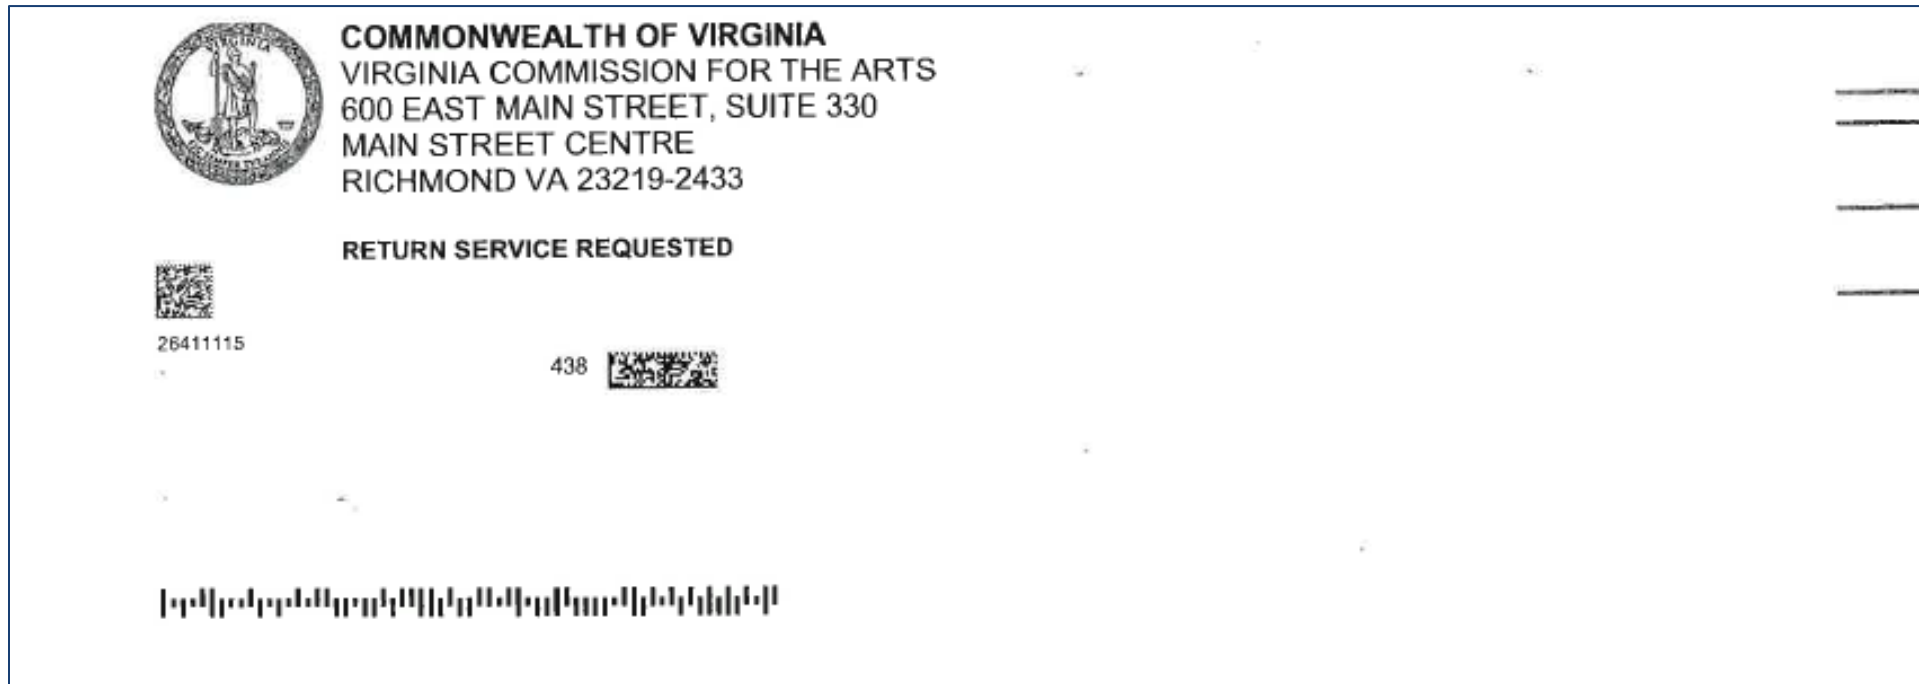

- External payment processes
- 30 – 45 days via mailed check
- **15 days or less** for electronic deposit

A Note on Mailed Checks

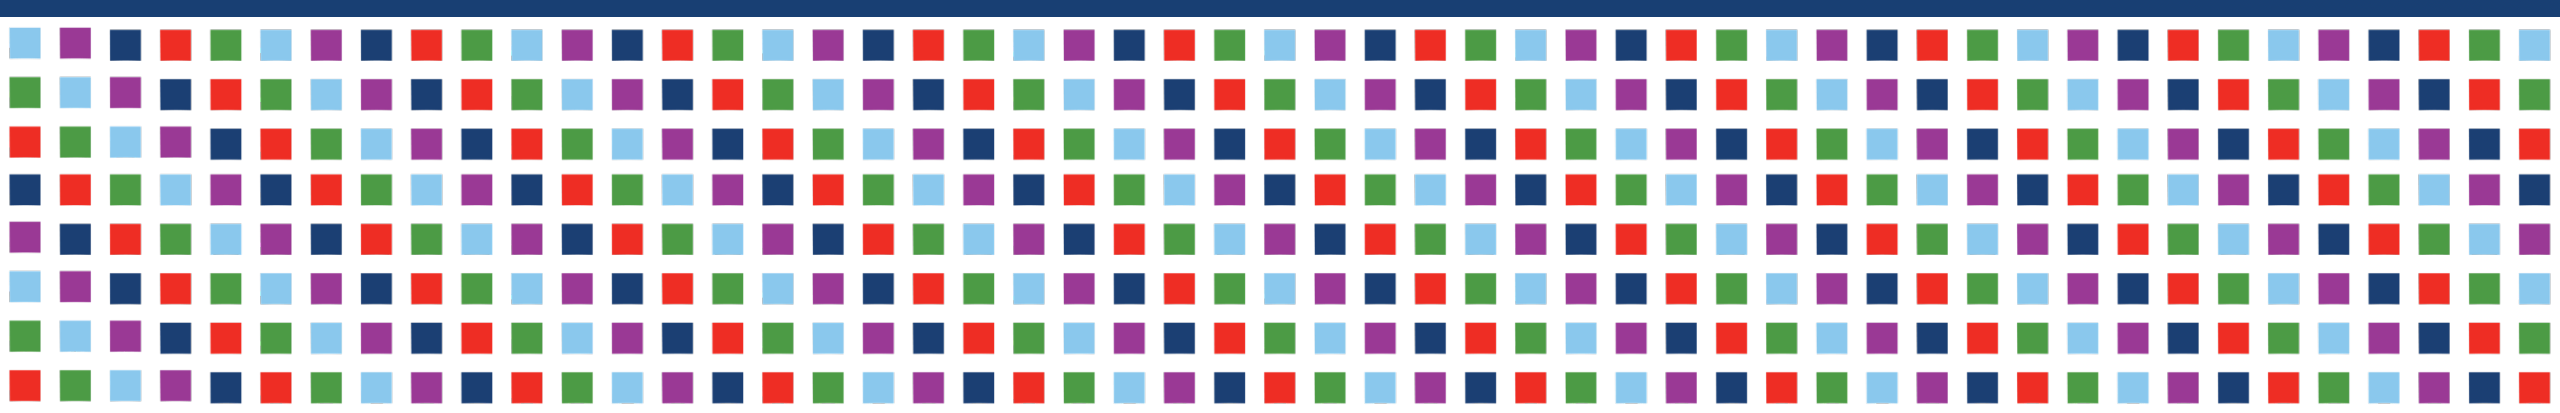

- Previously, checks were sent in a perforated mailer. Department of Treasury mailed checks have changed in appearance! (*see below*)

- Do not throw out any Commonwealth of Virginia mail without reading it, especially if you are expecting a payment from VCA!

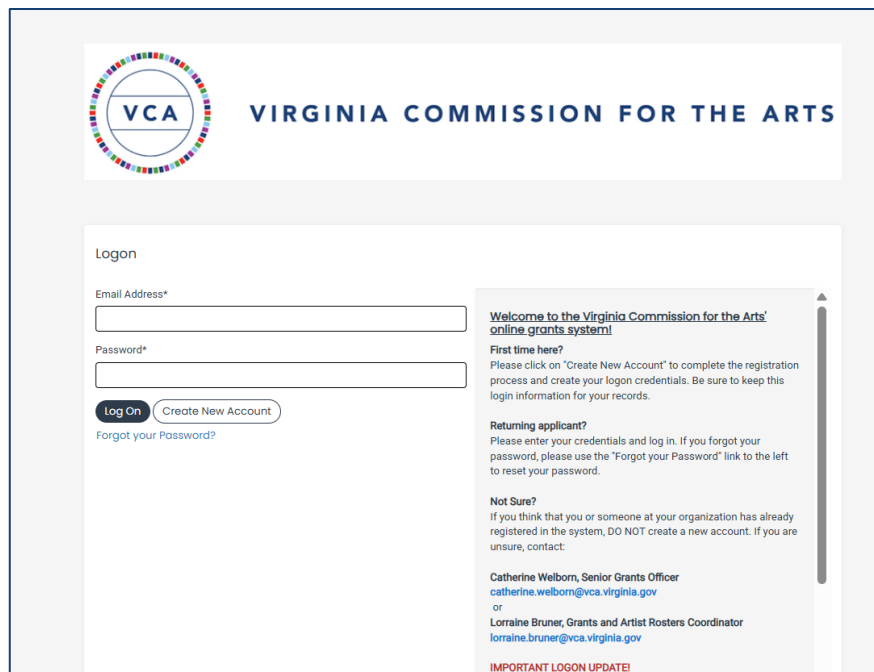

Ready, Set, Get Paid:

4 Easy Steps!

1

Ensure Foundant information is up to date

A screenshot of the Virginia Commission for the Arts (VCA) Foundant login page. The page features the VCA logo and the text "VIRGINIA COMMISSION FOR THE ARTS" at the top. Below this is a "Ligon" section with fields for "Email Address*" and "Password*", a "Log On" button, and a "Create New Account" button. A "Forgot your Password?" link is also present. To the right of the login fields is a welcome message: "Welcome to the Virginia Commission for the Arts' online grants system!". Below this, it says "First time here?" and "Please click on 'Create New Account' to complete the registration process and create your login credentials. Be sure to keep this login information for your records." Further down, it says "Returning applicant?" and "Please enter your credentials and log in. If you forgot your password, please use the 'Forgot your Password' link to the left to reset your password." At the bottom, it lists contact information for Catherine Welborn, Senior Grants Officer, and Lorraine Bruner, Grants and Artist Rosters Coordinator. A red banner at the very bottom reads "IMPORTANT LOGON UPDATE!".

- Foundant is the VCA's online grant portal
- Review Foundant account information annually and reach out to VCA with contact or address changes when staffing, leadership, or mailing updates occur
- Ensure email addresses are current to receive award and payment notifications

Visit eVA to create or updated your supplier information

- eVA is the Commonwealth of Virginia's public-facing electronic procurement portal for all state vendors/suppliers.
- To create or update your supplier information, VCA grantees must use this portal.

<https://eva.virginia.gov/>

eVA | Applicant Responsibility

- The VCA is unable to update your information in eVA on your behalf
- If your organization has not done business with VCA in over one year:
 - Your supplier account may be inactive
 - A new, updated, and verified **Virginia W-9** may be required to reactivate the account
- Updating an address in Foundant does not update eVA

Skip the delays and receive payment faster and more securely!

- Virginia Department of Accounts offers EDI for state vendors, including VCA grantees

The VCA strongly encourages grantees to sign up for electronic deposit to:

- Reduce delays in payment processing
- Avoid difficulties with the postal system, including address changes or potential lost mail
- Save taxpayer dollars! The VCA is required to pay a fee to reissue returned checks

Step 4 | Signing up for Electronic Deposit

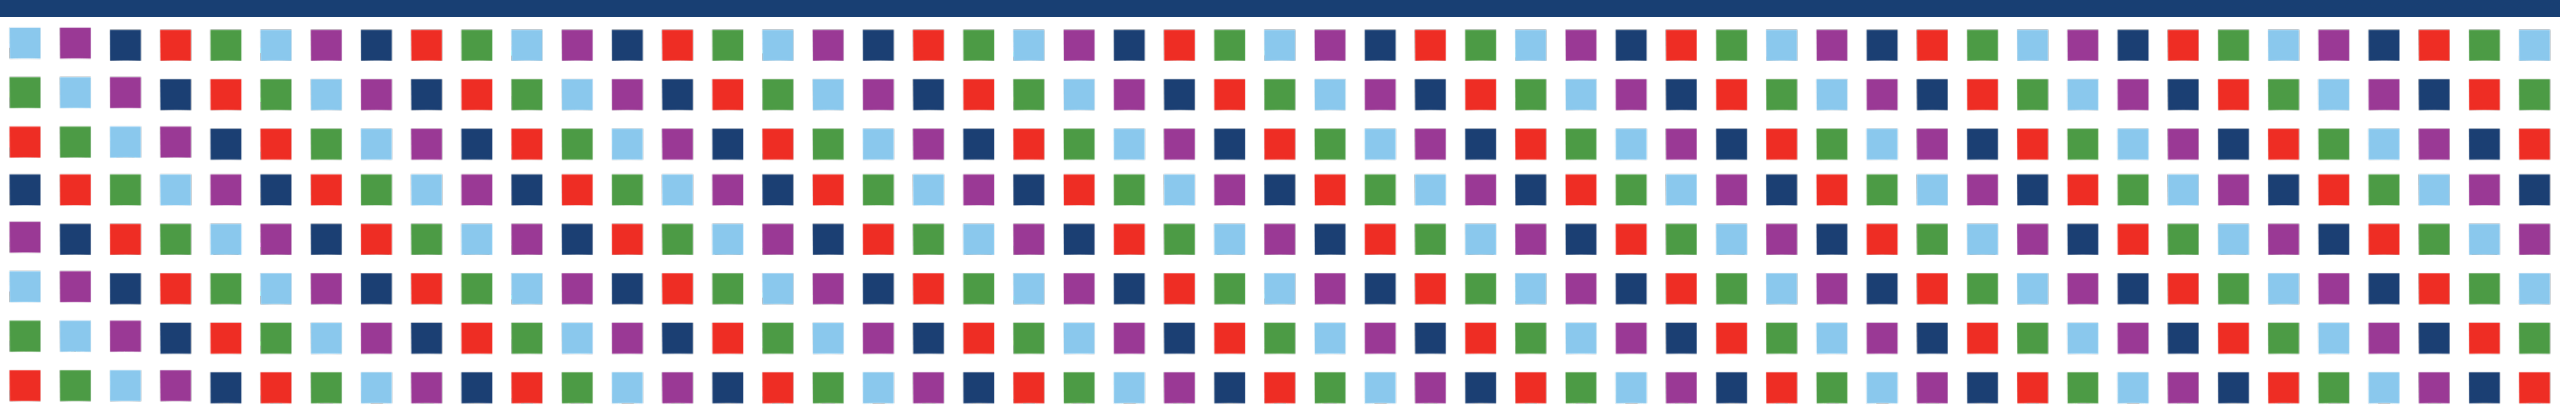

Ready for faster payments?

- To enroll in EDI, create an account in Department of Accounts EDI/ACH Program [portal here:](#)
- This portal serves as a one-stop shop where you can update your EDI information at any time.
- Need assistance? Call the EDI helpline at 804.692.0473 or email achproc@doa.virginia.gov
